SYSTEM X™ POP-OUT ULTRA STRETCH SIGNAGE MOUNT

FOR LG® 86BH5C

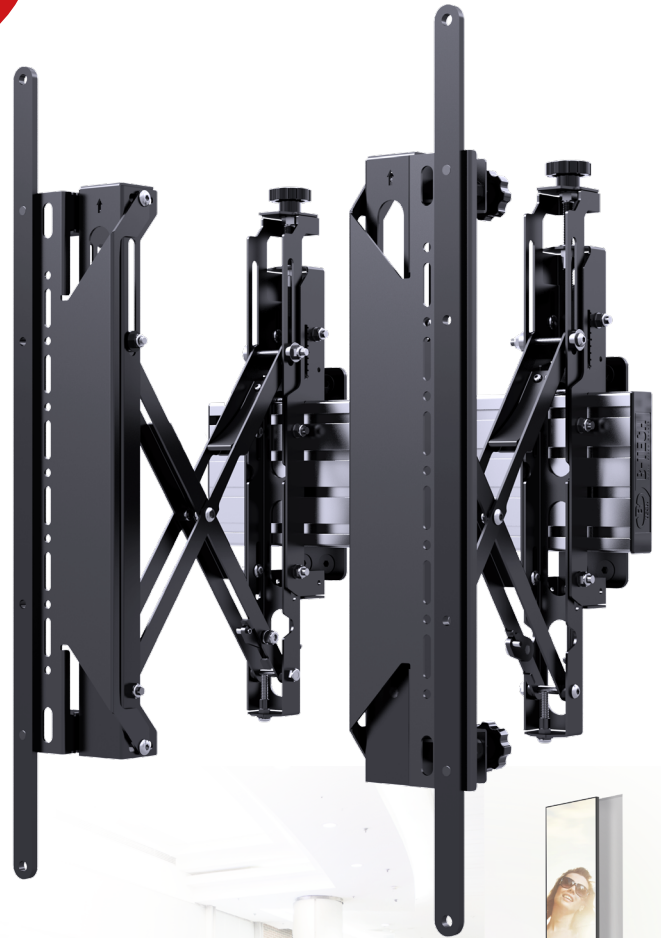

The BT9909 is a pop-out mounting solution that is ideal for portrait mounting LG's 86BH5C Ultra Stretch Signage in a recessed wall. Tool-less, micro-adjustment allows mounted screens to sit perfectly flush with the wall and the pop-out mechanism provides access to the rear of the screen for easy installation and maintenance. Safety screws come as standard to help prevent unauthorised removal of the screen and height adjustment screws allow the screen to be levelled perfectly after installation.
