FOR **Unilumin** UpanelS DVLED PANELS

BT93UNIUPS-M-4X4
MOBILE STAND
FOR UNILUMIN UPANELS 4X4 DVLED VIDEOWALL

The **BT93UNIUPS-M-4X4** is a mobile mounting solution designed specifically to mount Unilumin UpanelS Series DVLED panels in a 4x4 videowall configuration. Interface arms are a 4-row high, single piece construction featuring height adjustment and keyhole mounting points for a quick, simple and precise installation of DVLED panels, without needing to measure and set the location of each cabinet. A high-end aesthetic, anodised aluminium finish and integrated cable management ensures a smart and stylish installation which is quick and simple to install.

| SPECIFICATION	
Panel fixing method	**Front** and **Rear**
Colour (columns)	**Black** or **Silver**
For indoor use only	

FEATURES

- Designed and configured specifically for Unilumin UpanelS Series DVLED panels
- Suitable for front or rear mounting
- Interface arms feature directional arrows to indicate the panel install sequence, aiding a quick and easy installation
- Integrated height adjustment ensures finished installation is perfectly level
- Open frame design for ventilation
- Includes non-marking 4" locking / braked castors
- Integrated cable management for tidy install
- Wall, freestanding and bolt-down versions also available
- All mounting hardware included
- Interface arm positions can be located using the included UpanelS specific spacer - no need to measure every time!

Integrated cable management for a tidy install

Includes non-marking 4"locking / braked castors
