

BT7889

WALL MOUNTED FIXED AV STORAGE TRAY

The BT7889 is the ideal solution for discreet fixing of AV equipment, such as power supplies, media players and video conferencing equipment behind a screen. The storage tray can be wall mounted by the side of the screen mount, or if space is limited, over the top of the screen mount, and positioned in either a portrait or horizontal orientation. AV accessories are easily fitted to the removable storage tray using the supplied cable ties which can also be used for cable management.
