

**SUITABLE
FOR 1U, 2U
AND 3U RACK
UNITS**

BT7882

AV STORAGE CRADLE

The BT7882 is the ideal solution for securing AV equipment designed to 1U, 2U & 3U rack specification onto B-Tech mounts, or directly to a wall if desired. An open framework design provides sufficient airflow to keep mounted devices cool and at the same time secure; preventing unauthorised removal through the use of pin hex security screws. The BT7882 can also be mounted onto Ø50mm poles, using B-Tech's System 2 collars or directly onto System X mounting rails and columns.

SPECIFICATION

Max storage load	15kg
Max screen weight	20kg
VESA® fixings	up to 400 x 200*
Tray tilt for service access	45°
External dimensions	H:497 W:432 D:150mm
Max equipment dimensions	H:488 W:416 D:145mm

* Can be increased to 400 x 400 with BT7540

FEATURES

- Suitable for a wide range of AV equipment designed to 1U, 2U & 3U rack specification
- Screens can be fitted directly to the front of the cradle using VESA® 75, 100 or 200 fixings
- Tray opens 45° for easy access to equipment
- Compatible with B-Tech's System X range and B-Tech collars for pole mounted installations
- Can also be mounted directly to a wall
- Vented framework design for airflow
- Anti-theft lock helps to keep the device secure
- Keyhole mounting for a quick and easy installation

Tray opens 45° for easy access to equipment

Media players can also be mounted to the cradle

Fixes easily to System X rails and columns or to B-Tech poles using accessory collars

Can mount screens in a landscape or portrait orientation directly to the wall
