

BT7512

SINGLE ARM FLAT SCREEN WALL MOUNT FOR SCREENS UP TO 28"

BT7512 is a versatile mounting solution designed for small, flat screens. The interface features effortless tilt adjustment and full 360° screen rotation, seamlessly transitioning between portrait and landscape orientations. The wall plate is equipped with our 'OWLS' (On-wall Leveling System) for precise installation. BT7512 has also been designed to integrate with B-Tech's extensive range of poles and collars, offering endless mounting options for commercial and residential settings. To ensure added security, specialised security screws help deter unauthorized screen removal.
