Heckler

Heckler Lecterns redefines the concept of modern lecterns, teaching desks, and podiums, presenting a fresh and contemporary image. The design features elegantly suspended modesty panels, seamlessly integrated with the lectern's sleek frame. This innovative approach results in an airy, open look, enhancing the aesthetic appeal of any educational or professional setting.

Features

Available in four laminate finishes and frosted cast acrylic to complement the design of your learning spaces.

Each Modesty Panel is easily installed by one person in seconds - without tools.

Modesty panel sets are modular and sold separately from the Heckler Lectern to enable customization and last-mile installation.

The front panel can be customized with full-color emblems and logos.

In addition to our standard laminate selections, you may specify your organization's Wilsonart standard laminate.
