BOLT-DOWN STAND FOR LG LAED015 171" 21:9 ALL-IN-ONE LED DISPLAY

The BT83LG171-B is a bolt-down mounting solution designed specifically for LG LAED015 171" All-in-One Ultrawide LED Display. A stylish yet simplistic design allows for a quick and easy installation. The All-in-One display is made up of three cabinets of which interface arms are fitted to each and simply hooked onto the stand. The cabinets can then be pushed together and locked into place using LG's locking mechanism. The small bolt-down base footprint allows for unobtrusive installation into confined areas.
