

BT8587

BOLT-DOWN COLUMN MOUNTED DIGITAL SIGNAGE STAND WITH RETRACTABLE BASE

BT8587 is a premium display stand designed for use with extra-large screens up to 86". The retractable floor base allows the stand to be smoothly moved up to 400mm backwards; ideal for servicing and maintenance of hardware. Suitable for screens with VESA fixings up to 800x600, the screen can be easily mounted at any height on the column. Collar compatible accessories such as shelves can also be added to the column.
