

DS70-450BL1

FULL MOTION DESK MOUNT

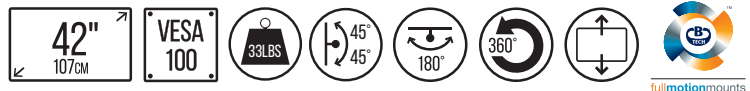

The DS70-450BL1 is a full motion single arm desk mount suitable for use with screens up to 42". The arm features three pivot points, gas spring height adjustment and tilt adjustment allowing for easy screen positioning. Designed with a quick-release VESA system the mount also features a 180° stop mechanism, allowing you to safely adjust the mount even when it's placed close to a wall or separation panel without making contact with the wall. The desk mount can be easily clamped to the rear or side of a desk or fixed through a grommet hole and the integrated cable management ensures a neat and tidy installation.
