

Introducing the **DS3048-LFT**: a sit stand desk designed for e-sport gaming rooms and professional offices alike. This height-adjustable unit boasts a built-in cable-well to accommodate a 12-outlet 125V power bar while also providing a space to organize cables for tidy setups. The DS3048-LFT remains versatile, meeting ADA standards even with a mounted midtower computer underneath. Whether for gaming or work, this desk offers adaptability for any task and is available in multiple scratch resistant thermowrap finishes.
