

BT8330

UNIVERSAL MENU BOARD MOUNTING SYSTEM

The BT8330 is a modular wall mounting system for menu board installations of any size. The BT8330 can mount screens in landscape or portrait orientations with the option for tilt adjustment up to +20° for enhanced overhead visibility, perfect for fast food restaurants. As part of the System X range, the BT8330 can be used in thousands of different configurations and must be ordered according to your requirements using B-Tech's online configuration tool.
