INTERACTIVE TOUCH SCREEN CART

Part of B-Tech's Momentum Range, the BT8545 Momentum Edge is a modern, durable, and easy-to-use flat screen cart designed to support displays and interactive touchscreens from 55" to 86". The carts braked casters provide smooth, safe mobility, while the sturdy design ensures stable use, preventing unintended movement when using the touchscreen. Capable of holding displays up to 220lbs with multiple screen mounting heights available, the BT8545 has versatile display options including an AV equipment shelf, which can also serve as a sleek blanking panel. This versatile solution is ideal for both installers and end users, delivering flexibility and performance across a range of applications.

SPECIFICATIONS

Recommended screen size **55"** up to **86"** up to **800** x **600** VESA® fixings

220lbs Max load (Screen) 11lbs Max load (Shelf)

W: 41.22" H: 56.22"-67.79" D: 34.72" Cart Dimensions

W: 37.40" D: 8.26" Shelf Dimensions

FEATURES

- Sturdy steel construction prevents unwanted movement when using a touch screen display
- Includes an accessory shelf that can be mounted at the front or rear of the trolley
- The shelf can be installed vertically at the front, or as a blanking panel when fitted vertically at the rear
- Equipped with non-marking, lockable, braked castors for secure mobility
- Provides six height adjustments for screen mounting and three for the shelf
- Safety screws help to prevent unauthorised removal of the screen
- Simple hook-on installation
- All necessary mounting hardware is included
