

XL INTERACTIVE TOUCH SCREEN CART

Part of **B-Tech's Momentum Range** of mobile display solutions, the **BT8546** Momentum Edge XL is a modern, robust and simple to use flat screen cart that is designed to mount displays and interactive touchscreens from 65" to 110". Braked casters with smooth and safe mobility and a rigid design allows users to effortlessly move displays of up to 276lbs around the room when needed, whilst ensuring touchscreen users encounter no unintended movement when pressing against the screen. The BT8546 performs exceptionally when mounting XL displays, ensuring both installer and end user have an unparalleled mobile mounting experience for some of the largest displays on the market.
