# Floor to Ceiling Cable Mount

FOR 46" TO 65" DISPLAYS

Peerless-AV's Floor to Ceiling Cable Mount is the ideal digital signage mounting solution for store windows. This sleek mount allows businesses to create a platform for eye-catching content, delivered on a mounting solution that is discreet and unobtrusive. With a multitude of installer friendly features, this mount is suspended on high tensile steel wire, which is a highly secure and stable foundation for displays up to 65" (max weight 65lb). The ability to position the screen at any point along the cable length, and the choice of either landscape or portrait orientation, make this an incredibly versatile solution that can be adapted to suit a wide range of both retail and commercial applications.

- Kwik-Grip™ cable hardware instantly sets the adaptor height without the use of a tool
- Keyhole slotted adaptor plate simplifies the install
- Included eye-screws and decorative plates provide an aesthetically pleasing finish and simple cable connection

**CEILING ATTACHMENT**  
Includes Kwik-Loc™ self-locking cable joiners for quick and simple connection to truss or strut

**DISPLAY ORIENTATION**  
Solutions available for both landscape and portrait display mounting

**FLOOR TO CEILING**  
Mounting solution for a flat panel display that attaches at any point along the cable making it ideal for store windows

**CABLE TENSIONING**  
Included turnbuckles provide cable tension, resulting in a plumb display

Ideal Solution for Store Windows
