SMARTMOUNT®

Motorized Height Adjustable Flat Panel Cart

FOR 42" TO 86" INTERACTIVE DISPLAYS

The Motorized Height Adjustable Cart was designed to safely mount, move, and store an interactive display. UL recognized actuators allow you to raise or lower a display, up to 25.6" (650mm), with the touch of a button. For easy setup and storage, the rear shelf provides room for a mini PC and power strip, while the power cord can be neatly bundled and stored just below. The cart's large wall plate and locking casters provide a stable foundation for touch applications, and allow you to easily maneuver the cart from room to room. The durable black powder coat finish provides a nice aesthetic to complement this highly functional solution that is ideal for any touchscreen application.

Mounting Pattern
Up to 800 x 600mm
(31.49" x 23.62")

Max Load
280lb
(127kg)

- Display height can be adjusted up to 25.6" (650mm) with the touch of a button

- Maneuvers easily on 4" (102mm) swivel casters, two locking

- Pre-assembled base and casters provides rigidity, stability and quick assembly

- Textured black powder coat finish helps hide finger prints and dust

- Display adaptor fits from 200 x 200 to 800 x 600mm mounting patterns

- Safety limit switch automatically reverses direction and stops when a collision is detected in an upward, downward or lateral force

REAR STORAGE
Provides up to 29"W x 13.5"H x 4"D storage for mini PCs such as Dell Optiplex Micro, HP 260 G2, Lenovo M600 Tiny or Intel NUC

VERTICAL ADJUSTMENT
Center of display is adjustable from 34"-60" from the floor

WELDED BASE AND PRE-ASSEMBLED CASTERS
Provides rigidity, stability and quick assembly

SAFE AND EASY MANEUVERABILITY
4" (102mm) swivel casters meet UL/CUL requirements

Rear Shelf, shown with optional accessories - Rear Laptop Shelf, 6 Outlet Surge Protector and Power Cord Manager

RoHS 2002/95/EC

Complies with the ADA Standards for Accessible Design, Section 308.
