SR560-HUB2

SMARTMOUNT®
Flat Panel Cart
FOR THE 50" MICROSOFT® SURFACE™ HUB 2S

The Peerless-AV® SmartMount® Flat Panel Cart is designed to safely mount, move, and store the 50" Microsoft® Surface™ Hub 2S. The cart is load rated up to 65lb, sits at Microsoft's recommended viewing height (55"), and offers vertical adjustment so the display can be positioned at incremental heights 48" to 60" from the floor. The cart also provides clearance to the removable compute cartridge so this can be upgraded without removing the display. Locking 4" casters provide a stable foundation for touch applications, while cable management channels completely hide the cabling inside the uprights. Ideal for corporate, education or hospitality applications, the SR560-HUB2 is the perfect mobile solution for the 50" Microsoft® Surface Hub 2S.
