SMARTMOUNT®

Display-Specific Tilt Wall Mount
for up to 71" Displays

The Dedicated line provides display-specific solutions for mounting medium to large sized displays. It is compatible with Peerless-AV's comprehensive inventory of display-specific PLP adaptor plates, ensuring a precise fit for almost any display. This wall mount offers tilt adjustment of +15˚/-5˚ for perfect viewing options. Additionally, installers can choose from either a wall plate for 16" stud centers, perfect for any portrait-style applications, or a more versatile wall plate for 16"-24" stud centers. All models ship pre-assembled for fast and easy installation.

Display size: up to 71"   **Max load: 200lb (90kg)**

FEATURES

- Tilt allows adjustment of +15/-5° without the use of tools

- Included IncreLok™ feature offers fixed tilt lock in 5° increments when used

- Horizontal display adjustment up to 8" (203mm) for centering display on wall

- Easy-Glide™ design ensures display is securely attached to wall plate

- Choose from 16" (406mm) only or 16"-24" (406-610mm) stud center wall plate

- Fits any display-specific PLP or LC adaptor plate

- Model ST16D ships with 19.25" (489mm) wide wall plate, perfect for portrait style installations

- Wall plate knockouts provide wall access, improving cable management options
