Max Load
422lb (192kg)

Modular Series Dual-Pole Floor Mounted Plate

FOR WOOD OR CONCRETE FLOORS

Peerless-AV's Modular Mount Series features a full range of products to fulfill multiple requirements with a limited number of components. The universality of the components allows you to configure your own perfect custom flat-panel display or projector mounting solution for any application. The Modular Mount Series was developed with the professional AV installer in mind with a 2" (50mm) diameter support pole that can be easily cut to length on the job site making it ideal for new projects as well as for upgrading existing installations. The MOD-FPP2 Floor Mounted Plate allows you to simply bolt the structure to the floor, eliminating the need for walls or ceilings when placing your display.

- Heavy duty flat floor plate
- Mounts to concrete and wood floors
- 422lb (192kg) max weight capacity when used with 4 displays in a back-to-back configuration (2 displays high max)
- 78" (2m) max pole length for floor mounted applications
