Modular Series Dual Pole Floor-to-Wall Kit

FOR 46" TO 90" DISPLAYS

Peerless-AV's Modular Mount Series features a full range of products to fulfill multiple requirements with a limited number of components. The universality of the components allows you to configure your own custom flat-panel display or projector mounting solution for any application. The Modular Mount Series was developed with the professional AV installer in mind with a 2" (50mm) diameter Extension Pole that can be easily cut to length on the job site, making it ideal for new projects as well as for upgrading existing installations. The MOD-FW2KIT300(-B) Floor-to-Wall Mount Kit helps eliminate guesswork, so you can create the perfect installation.

- Kit includes:
 - Floor Plate
 - Wall Plate
 - Two 118" (3m) Extension Poles
 - Single Display Mount
 - Display Stacking Clamp
 - Large Universal Adaptor
- Heavy-duty Floor Plate securely mounts to wood or concrete floors and the wall plate works with wood, concrete, cinder block or breeze block wall structures
- Universal Display Adaptor for 46" to 90" displays with VESA® mounting patterns up to 600 x 400mm
- Display can be positioned at any point along the height of the Poles
- Modular design allows additional displays to be stacked on the Dual Poles

INTEGRATED CABLE MANAGEMENT
Runs through Poles with open access at both ends for ease of use

QUICK CONNECT DESIGN
Includes simple hook-on feature, with +20° to -5° tilt and locks at every 5° increment

UNIVERSAL DISPLAY ADAPTOR
Compatible with display mounting patterns up to 600 x 400mm

DUAL POLES
Provides added stability with heavier and larger displays

MATCH ANY DECOR
Extension Poles available in black or zinc plated

Add two additional displays by adding two additional Single Display Mount accessories, MOD-FPMS2, and Stacking Clamps, MOD-ASC2 (MOD-UNL2 may be required).
